A Good Mix of Fun from Your Locally Owned Printer.

I tried celebrating Earth Day by planting a garden. Turns out weeds grow faster than my motivation.

What's the difference between a hippo and a zippo? One is really heavy, and the other is a little lighter.

...

I bought my friend an elephant for his room. He said, "Thanks." I said, "Don't mention it."

Mother to son: "You shouldn't always lounge around so lazily on the couch!"
Son: "I'm doing something for the environment. I'm saving energy!"

Why did the bald man paint rabbits on his head? Because from a distance they looked like hares!

A woman was shopping for something to wear to her 50th high school reunion when a group of teenage girls came into the same shop to try on dresses for their school formal.

"This dress makes me look 40 years old," complained one girl loudly to her friends!

"May I have it?" called out the lady. "That's just what I'm looking for!"

...

ALL I REALLY NEED TO KNOW I LEARNED FROM THE EASTER BUNNY

1. Don't put all of your eggs in one basket.
2. Walk softly and carry a big carrot.
3. Everyone needs a friend who is all ears.
4. There's no such thing as too much candy.
5. All work and no play can make you a basket case.
6. Everyone is entitled to a bad hare day.
7. Let happy thoughts multiply like rabbits.
8. Some body parts should be floppy.
9. The grass is always greener in someone else's basket.
10. An Easter bonnet can tame even the wildest hare.
11. To show your true colors you have to come out of your shell.
12. The best things in life are still sweet and gooey!

NASA is launching a satellite to say sorry to the aliens. They're calling it the Apollo G.

Knock, knock.
Who's there?
Lettuce.
Lettuce who?
Lettuce in—it's chilly out here.
