**ON ONE HAND
I'D SAY 'YES',
BUT ON THE
OTHER HAND
I'D SAY 'NO'.**

...

*"Doctor, doctor, I think I need glasses."
"You certainly do, sir! This is a fish and chip shop!"*

Why did the turtle cross the road?
To slow down traffic.

Before setting off on a trip, I called the hotel where I'd be staying to see if they had a gym. The hotel receptionist's sigh had a tinge of exasperation in it when she answered. "We have over 300 guests at this facility," she said. "Does this 'Jim' have a last name?"

...

Two mountaineers reached a huge, deep fissure in a glacier. "Careful," said one of them. "My mountain guide fell down there last year."
"I bet you felt bad about that," said the other. He quipped, "Not really, it was pretty old and missing a few pages."

*Teacher: School starts at 8 a.m., young man. Why are you coming in at 8:30?
Student: Sir, by all means, you can start the class without me. No need to wait.*

I can't take my dog to the park because the ducks keep trying to bite him ... I guess that's what I get for buying a purebred dog.

I'm not short ... I'm just more down to earth than some other people.

Working at the unemployment office has to be a tense job. If you get fired, you still end up having to come in the next day.

...

LOVE IS...

"Love is when a girl puts on perfume and a boy puts on shaving cologne and they go out and smell each other."

"Love is when you go out to eat and give somebody most of your French fries without making them give you any of theirs."

"Love is what makes you smile when you're tired."

"Love is when my mommy makes coffee for my daddy and she takes a sip before giving it to him, to make sure the taste is OK."

"Love is hugging. Love is kissing. Love is saying no sometimes."

"Love is when you tell a guy you like his shirt, then he wears it everyday."

"Love is like a little old woman and a little old man who are still friends even after they know each other so well."

"Love is when mommy gives daddy the best piece of chicken."

"Love is when mommy sees daddy smelly and sweaty and still says he is handsomer than Robert Redford."

for a million dollars. Cupid said, "Get
