Librarian: "They're right behind you!"*

YES, YOU CAN GO OUTSIDE TO PLAY BUT STAY IN OUR WI-FI RANGE.

Al: Yes.

Bob: I'll tell you what I'll do. I'll forget half of the money.

Al: That's perfect, I'll forget the other half.

I read recipes the same way I read science fiction ... I read to the end and say, "Well, that's not going to happen."

HEY NEIGHBOR, I THINK YOUR GIANT INFLATABLE SNOWMAN JUST BLEW OVER INTO OUR YARD.

TWAS THE NITE OF THANKSGIVING

Twas the nite of Thanksgiving
But I just couldn't sleep.
I tried counting backwards,
I tried counting sheep.

The leftovers beckoned—
The dark meat and white.
But I fought the temptation
With all of my might.

Tossing and turning
With anticipation
The thought of a snack
Became infatuation.

So I raced to the kitchen,
Flung open the door
And gazed at the fridge,
Full of goodies galore.

Gobbled up turkey
And buttered potatoes,
Pickles and carrots,
Beans and tomatoes.

I felt myself swelling
So plump and so round,
'Til all of a sudden,
I rose off the ground.

I crashed through the ceiling,
Floating into the sky
With a mouthful of pudding
And a handful of pie.

But, I managed to yell
As I soared past the trees...
Happy eating to all -
Pass the cranberries, please.

May your stuffing be tasty,
May your turkey be plump.
May your potatoes 'n gravy
Have nary a lump.

May your yams be delicious
May your pies take the prize,
May your Thanksgiving dinner
Stay off of your thighs.

A man goes into a pet shop to buy a parrot. The shop owner points to three identical-looking parrots on a perch and says, "The parrot on the left costs \$500 dollars."

"Why does the parrot cost so much?" asks the man. The owner says "Well the parrot knows how to use a computer."

The man then asks about the next parrot and learns that it costs \$1,000 dollars because it can do everything the first parrot can do plus it knows how to use the UNIX operating system.

Naturally, the increasingly startled man asks about the third parrot, only to be told that it costs \$2,000 dollars. Needless to say, this begs the question, "What can it do?"

To which the owner replies, "To be honest, I have never seen it do anything, but the other two call him boss!"
