A man takes his sick chihuahua to the veterinarian. They're immediately taken back to a room. Soon, a labrador walks in, sniffs the chihuahua for ten minutes, and leaves. Then, a cat comes in, stares at the chihuahua for ten minutes, and leaves. Finally, the doctor comes in, prescribes some medicine, and hands the man a \$250 bill. "This must be a mistake," the man says. "I've been here only 20 minutes!" "No mistake," the doctor says. "It's \$100 for the lab test, \$100 for the cat scan, and \$50 for the medicine."

Great news deserves great print.
